# MESSAGE OF THE VICE-CHANCELLOR

## **Professor Sanjeev Kumar Sharma**

Vice-Chancellor  
Mahatma Gandhi Central University

Dear fellow learners,

*Greetings from Mahatma Gandhi Central University, Bihar!*

*Hope you are in good health with your family! This is a very tough time for the whole world!*

It is my proud privilege and moment of pleasure to invite you to be a part of relatively new yet fast-growing institution of higher learning named after one of the greatest sons of Mother India- Mahatma Gandhi. Institutional excellence with global outlook clubbed with sustainable resource generation system is our vision of the University. Apart from being actively engaged in the regular roles of a University i.e. creation, dissemination and application of knowledge, we have carved out a roadmap for a long journey into uncharted territories of innovative learning. We are seriously committed to pushing ourselves towards new horizons of path-breaking research. We have initiated our concerted efforts for establishing democratic outlook with a focus on performance, commitment and professionalism in the academic environment of the University. The University is endeavouring to provide all possible courses and programmes for intellectual as well professional development of our students. For that purpose, we are in the process of introducing newer courses based on skill development and capacity building. At the same time, we aim at preparing responsible, diligent, and caring citizens ready to meet the challenges of global society without, however, drifting from the great cultural anchorage of India. The University is also attempting to streamline its procedures and mechanisms to enhance all round efficiency in performance and service delivery as well as inculcating a robust work culture amongst all its stakeholders.

As the Vice-Chancellor of this University, I sincerely welcome you to a better experience of learning.

My all good wishes for your bright future.

**[SANJEEV KUMAR SHARMA]**

## ABOUT MAHATMA GANDHI CENTRAL UNIVERSITY

MAHATMA GANDHI CENTRAL UNIVERSITY (MGCU) came into existence by an Act of Parliament, Central Universities (Amendment) Act 2014 (No. 35 of 2014). The University became functional on 3<sup>rd</sup> February 2016. MGCU is situated in Motihari (Bankat), on National Highway 28.

MGCU is proving to be an excellent centre of Higher Studies in both Basic, Applied and Technical educational fields. There are as many as total 04 Undergraduate; 22 Postgraduate; 19 M.Phil. and 20 Ph.D. Programmes of Study running under total 07 Schools and 20 teaching Department under them. This is one of the salient characteristics of the University which has attracted the enthusiastic learners from different parts of the country to seek admission here. Needless to reiterate, the well-experienced and competent Faculty of the University is the central basis for the academic excellence being sustained herein.

The location of the University in Motihari, Bihar does take us to the glorious historic year of 1917 when Mahatma Gandhi started his well-known SATYAGRAHA, the first ever anti-colonial struggle against the British. It is rightly said that Motihari made Mahatma Gandhi the BAPU, the premier MASS LEADER who henceforward revolutionized the whole India through miraculous mantras of Truth and Non-Violence. No wonder, MGCU is committed towards inculcating the spirit of SATYAGRAHA, TRUTH and NON-VIOLENCE among our learners towards rendering their invaluable services to the humanity.

Christened after Mahatma Gandhi, FATHER OF NATION, MGCU is one of the emerging public Central Universities of India. The Motto of the University is enshrined in the LOGO: “मयि श्रीः श्रयतां यशः” The very logo is an invocation of Vedic Chant meant for showering the prosperity of name, fame and riches upon all. This is the guiding principle behind the educational spirit of this University. All the Members of the University (both Teaching & Non-Teaching) work heart and soul towards enabling our students/ learners to achieve the all- round success and prosperity.

## VISION OF THE UNIVERSITY

- ◆ To establish the University with a global outlook but grounded in local tradition and culture;
- ◆ To establish the University as a unique model of excellence in higher education with student-centric focus in terms of global standards of programme offerings, curricular framework, pedagogy, research, publications and extension;
- ◆ To benchmark its curricular framework, pedagogical practices, infrastructure facilities, governance policies and administrative practices against global standards; and
- ◆ To pay special attention to the improvement of the social and economic conditions and welfare of the people, their intellectual, academic and cultural development.

## MISSION OF THE UNIVERSITY

To achieve the above avowed Vision, the University has adopted the following Mission:

- ◆ Offer relevant and up-to-date, multi-disciplinary Programmes of Study to make students vocationally competent in the global job market;
- ◆ To impart high quality inclusive education;
- ◆ Adopt a holistic approach to learning through e-learning, peer-group learning, self-learning and work experience (industry/summer placement) besides conventional pedagogy;
- ◆ Establish a democratic outlook, a culture of performance, commitment and professionalism in faculty development;
- ◆ Integration of a high quality of research, publication, patents, consultancy, and industry linkages;
- ◆ To have renewable and sustainable sources of energy for the University needs.

### Accessibility & Connectivity:

The nearest airport is at Patna which is approximately 170 kilometres from Motihari. Motihari is also connected to all the major cities by train. The nearest railway station is Bapudham Motihari (BMKI) which is approximately 2 kilometres from the Temporary Campus at Zila School, Motihari. One can also reach Motihari by train via Samastipur, Muzaffarpur and Raxaul which are located within a radius of 100 kilometres. Motihari is also well connected to all major cities and towns of Bihar and adjoining states by road through a network of four-lane National Highway.

## CAMPUSES OF THE UNIVERSITY

### Permanent Campus of the University:

The University has recently received approx. 135 Acres of Land in the first phase from the State Government for establishment of its permanent campus in Motihari Town. However, the University has been assured a total land of 302 Acres (approx.) near Bankat-Bairiya village in Motihari Town for which the land acquisition process is going on.

### Campuses of the University:

The University is presently operating from the following Campuses some of which have been provided by the State Government of Bihar or hired by the University on rent basis:

- ❖ **Academic Campuses:** At present University is running in three academic blocks/building namely:
  - **Gandhi Bhawan:** Gandhi Bhawan is situated in the main premises of the University at Bankat, Motihari. In this building the Departments under the School of Social Sciences and School of Humanities & Languages are operational. The campus is customised to meet the minimum functional requirements to cater the academic activities, sports and cultural activities of the University. It provides an inspiring ambience for academics.

## CAMPUSES OF THE UNIVERSITY

- ❖ **Chanakya Parisar:** The academic activities of the University started in this campus provided by the State Government of Bihar on rent basis in the Zila School premise at Motihari, since its establishment. Buildings of this campus have been renovated and customised to meet the minimum functional requirements to run the academic, cultural and sports activities of the University. This campus is like an oasis in Motihari. Departments under the School of Life Sciences, School of Physical Sciences and Department of Computer Science and Information Technology and Atal Bihari Vajpayee Central Library are operational.

- ❖ **Pt. Deen Dayal Upadhyay Parisar:** This building is hired by the University on rent basis situated near Pt. Ugam Pandey College, Baluatal, Motihari. In this campus, the Departments under the School of Computational Sciences, Information and Communication Technology (except the Department of Computer Science and Information Technology), School of Commerce and Management Sciences and School of Education are operational.

- ❖ **Administrative Office:** The Administrative Office, which presently serves as the Headquarter of the University, is running in the Dr Ambedkar Administrative Building hired by the University on rent basis located at Raghunathpur, Near OP Thana, Motihari, District – East Champaran. The Offices of the Vice-Chancellor, Registrar, Finance Officer and IQAC are located in this building.

- ❖ **Women's Hostel (named as Kasturba Gandhi Women's Hostel):** The University has a Women's Hostel in a hired building in Chotta Bariyarpur, near Hawaii Adda Chowk, Motihari. It has a capacity to accommodate approx. 50 women at a time with full security measures. All students who wish to opt for hostel accommodation have to mandatorily join the hostel mess. The University has made available transport facility to the residents of the hostel to commute between the Hostel and various Campuses of the University. However, to avail transport facility, students have to pay a token bus coupon fee of Rs. 500/-per month or any other rate as approved by the Competent Authority from time to time.

### **INNOVATIVE PROGRAMMES & CURRICULAR FRAMEWORK:**

Guided by the Reforms Agenda in Higher Education and learning from the experiences of the best Universities of the world, the Mahatma Gandhi Central University has introduced a number of innovations, as detailed below:

➤ **Semester-based Academic Calendar:**

The academic programmes of the University are based on Semester System, designed at par with global practices in terms of effective number of teaching days and teaching-learning inputs.

➤ **Programmes based on Comprehensive Choice Based Credit System:**

The University has introduced Comprehensive Choice Based Credit System (CBCS) as per the latest UGC Guidelines and modelled largely on the lines of the best Universities of the World.

➤ **Programmes of Study are defined in terms of Credits:**

As opposed to papers/courses in the conventional system, a student is required to accumulate a minimum number of credits to pass the course as approved in Board of Studies (BoS) of particular discipline and higher academic bodies of the University:

➤ **Students to accumulate required number of credits from across disciplines:**

The inter-disciplinary approach in the selection of courses is followed with most of the courses from the Department and rest from other Schools/Departments/Centres of the University.

➤ **Students Mobility and Credit Transfer:**

The University has designed a framework to facilitate credit accumulation by its students from other recognised Universities of India and abroad. The University has developed a structured mechanism to work out the equivalence and accept the transfer of credits earned by its students from other Universities as per the relevant Ordinance of the Mahatma Gandhi Central University.

➤ **Innovative approach in designing Courses of various Programmes of Study:**

The Departments would (a) design and offer elective courses, based on the expertise and specialisation of their faculty members; (b) Specify pre-requisite and co-requisites for courses wherever applicable. Thus, the focus is on '**learner-centric approach**' (as opposed to the conventional 'teacher-centric approach') to accommodate the individual specific learning needs and expectations to have wider choices in content, mode and pace of learning.

➤ **Examination System for all Programmes of Study:**

All Programmes of Study of the University shall be offered under Semester System. As a general principle, the Assessment and Evaluation System shall comprise the following components:

Sl.	Particulars	Percentage
A	<b>Comprehensive Continuous Internal Assessment (CCIA)</b> (15% for assignments /quizzes /presentations / live projects etc. & 5% for attendance)	20%
B	<b>Mid-Semester Examination</b>	20%
C	<b>End-Semester Examination</b>	60%
<b>TOTAL</b>		<b>100%</b>

**NOTE:** *Provided that considering the scientific nature of the course(s) in which laboratory work and practical(s) have important component of the evaluation; the attendance may be given higher weightage of 10% subject to prescribed limit of Assessment and Evaluation System but this shall be approved by the Board of Studies (BoS) & School Board (SB) and shall be notified with Detailed Course Outline (DCO) or lecture plan distributed to students before commencement of the particular course.*

❖ **All Programmes of Studies have Grading System:**

The University shall have grading system based on ten-point scale of evaluation of the performances of students in terms of marks, grade points, letter grade and class. The total performance of a student within a semester and continuous performance from the second semester onwards shall be indicated by (a) Semester Grade Point Average (SGPA) and (b) Cumulative Grade Point Average (CGPA).

## SCHOOLS AND DEPARTMENTS

### I. School of Commerce and Management Sciences

#### Dean: Prof. Pavnesh Kumar

The School of Commerce and Management Sciences desires to foster creative thinking, develop entrepreneurial skills and personality to instil a desire for lifelong learning among students. It comprises of two departments i.e. Department of Commerce and Department of Management Sciences.

#### 1. Department of Commerce:

The Department of Commerce was established in the year 2016 to promote the research and higher education environment. The main aim of the department is to fulfil the gap of higher education and specially research in the region. In the beginning the Department introduced an undergraduate program B.Com.(H) in the year 2016 with intake of 30 students. Very early in the next step the Department introduced three new programs one post graduate program M.Com. and to create and promote research environment the Department started Master of Philosophy (MPhil) and Doctor of Philosophy (PhD) program in the year 2019 under the valuable direction of our dynamic Hon'ble Vice chancellor Prof. Sanjeev Kumar Sharma. The Department is nurturing the knowledge and skills required for shaping the students for 21<sup>st</sup> century requirements. The Department also facilitates co-curriculum and cultural activities to enhance the ability and competency in our brand ambassadors i.e. our students.

Presently, Department of Commerce is based at Pt. Deen Dayal Upadhyay Parisar, Chandmari, Motihari. The department has well equipped class-rooms and a central library in Jila School, Motihari. It is also noteworthy that the Department has minimum resources as the University is in initial stage however the department has an optimum utilization of resources. The department is imparting the best and updated content to the students. The Department looks forward to being recognised as one of the best centres of commerce and business education in India and abroad under able guidance of Prof. Trilochan Sharma, who is currently Head of the Department.

## II. School of Computational Sciences, Information & Communication Technology

### Dean: Prof. Arun Kumar Bhagat

School of Computational Sciences, Information and Communication Technology was earlier known as School of Computer Sciences & IT. In the beginning, it had only one Department, viz. Dept of CS&IT. Now the School has three Departments: Department of CS&IT, Department of Media Studies and Dept of Library & Information Science. Currently PhD, MPhil, MA(JMC), BA(JMC), B.Tech, M.Tech, BLISc and MLISc are being offered.

The School currently operates from two buildings, DDU Campus and Chanakya Parisar. The School has organized a number of National events including workshops, seminar, symposia and other research and outreach activities.

### 1. Department of Computer Science and Information Technology:

The Department of Computer Science & IT became functional from the very first session of the University. Initially the Department catered to general electives of other Departments. Then undergraduate programme in Engineering was started.

Currently the Department offers Ph.D., M.Tech.(CSE) and B.Tech. (CSE) programmes. The Department has qualified faculty members who are engaged in cutting-edge research on Cyber Security, Big Data, Cloud Computing and IoT.

The Department has successfully organized Three National workshops on Big Data, Machine Learning and Python. The Department also has a chapter of Association of Computing Machinery and under its aegis, has organized techfest 'Astitva'.

### III. SCHOOL OF HUMANITIES & LANGUAGES:

#### Dean: Prof. Rajender Singh

Language is not only the means of expression of human thought; rather it constitutes the very world we inhabit. Language is the tool unique to human beings which distinguishes them from rest of the fauna world. The School of Humanities and Languages acknowledges the significance of languages in the Anthropocene. It came into existence in the first academic session of Mahatma Gandhi Central University in 2016. The School currently offers programmes in English, Hindi and Sanskrit, and has plans to broaden its scope by including many other languages of India and abroad. The study of languages is intrinsically entwined with the study of literature and the School offers its students the choicest of literary creations and critical texts. Through its programmes of study, the school aims to create able speakers, teachers, interpreters, translators, critics, and literary consultants in the languages taught.

#### 1. Department of English:

Department of English was established since the inception of the University in 2016. At present, the Department consists of 05 regular Faculties well-versed in language and literature. English is one of the most widely spoken languages in the world and is the bridge between different cultures and nations. Most of the masterpieces in world literature are written either in English or translated into it. English is also one of the necessary requirements in the emerging world of globalisation and modernization. The Department of English in MGCUB recognizes the significance of English language and literature and seeks to cultivate a taste for literatures in English and to develop their critical thinking. The English Department is committed to ignite the creative and critical sense and develop the sensibility of students and research scholars. The sole vision and mission of the Department is to enlighten right thinking of learners/researchers so that they may contribute greatly and tirelessly for the welfare of humanity.

## 2. Department of Hindi:

Department of Hindi was established since the inception of the University. Hindi is the official language of India and therefore all the official communication between the States and the Centre takes place in Hindi which creates a number of job opportunities. It also has a rich and lively heritage of literary and critical texts. Hindi is the language of the job market, film and television, media and communication and day to day activities in the Indian subcontinent. The Department of Hindi seeks to develop language and literary abilities of the students, produce able translators, interpreters, literary consultants equipped with critical thinking. The Department of Hindi takes pride in its committed and experienced faculty members who seek to inculcate in the students an appreciation for Hindi language and literature. The programmes of study offered by the department are so designed as to include masterpieces of Hindi Literature, Linguistics, Poetics and Functional Hindi to achieve the aforementioned goals.

### 3. Department of Sanskrit:

Sanskrit is acknowledged not merely a language but an inclusive heritage of Indians which functions as a bridge between India's past and present. It has been the key to Indian Intellectual Traditions, Art, Culture, Linguistics, Philosophy, Science, Spirituality etc. Keeping this in view, a full-fledged Department of Sanskrit was established in 2019 under the School of Humanities and Languages in response to a felt need for Sanskrit Studies at Mahatma Gandhi Central University. It offers M.A., M.Phil., and Ph.D. Programmes. There are six faculty members in the Department having varied expertise in the field of Indology. The thrust areas are Veda, Sāhitya, Nyāya-Vaiśeṣika, Navya-Nyāya Language, Vedānta, Vyākaraṇa, Saṅkhyā-Yoga, Linguistics, and Manuscriptology. The sole aim of the Department is to impart high-quality teaching and research work to make Sanskrit academic culture as Indian way of teaching and learning perspective so that Indian Intellectual Traditions and its contemporary global need and significance may be flourished. The Department is dedicated to creating an academic platform for developing innovative Ideas in Human science for Sustainable Human Development by re-claiming pasts for tackling contemporary issues and re-visioning future through uninterrupted cosmopolitan Sanskrit Knowledge Systems. The vision of the Department is to make Sanskrit as a link of both ancient and modern and synthesize all the great thoughts of both east and west with following motto:

पुराणमित्येव न साधु सर्वं न चापि काव्यं नवमित्यवयम् ।  
सन्तः परीक्ष्यान्यतरङ्गजन्तं मूढः परप्रत्ययनेयबुद्धिः॥  
- मालविकाग्निमित्रम् - 1.2

Everything is not great just because it is ancient. Nothing is bad just because it is modern.  
Intelligent people take things after examining it properly. An ignorant man simply believes what others say.

#### IV. SCHOOL OF LIFE SCIENCES

##### Dean: Prof Anand Prakash

School of Life Sciences with its constituent departments of Biotechnology, Botany and Zoology strives to indoctrinate quality education, develop learning capacity of students in contemporary advancements, nature, environment and ethical values through knowledge, skills, and expertise to contribute to global perspectives for the larger benefit of humanity.

##### 1. Department of Biotechnology:

Biotechnology as a separate field of study has a recent origin. This field embodies the understanding of basic sciences and their use in scientific application. The application of biotechnology includes discovery of products and drugs, technologies to combat diseases, managing the environmental pollutants, increasing agricultural output, finding ways to produce clean energy and have efficient industrial manufacturing processes.

4.	Dr Akhilesh Kumar Singh	Ph.D.	Polyhydroxyalkanoate Bioplastic; Nanobiotechnology and Applied Microbiology

##### 2. Department of Botany:

The Department of Botany has teaching and research programs that encompass various basic and applied aspects of modern plant biology. Started only in 2016 it is dedicated to make an impact through research and technology-based training to its students. The department is successfully running M.Sc., M.Phil. and Ph.D. programmes. The scheme of courses has been designed keeping the demand trend in mind. The faculty members are actively involved in various leading-edge research areas as nanotechnology, plant breeding and cytogenetics, molecular mechanism of plant pathogen interactions,

genomics, proteomics and metabolomics to name a few. The faculty members are consistently putting effort to convert it into a world class centre of academics and research. Their main objective is to groom the students into a pool of young scientists trained in interdisciplinary areas of plant sciences.

### 3. Department of Zoology:

History of Zoology as study of animal science is as old as the history of mankind. However, its emergence from Natural History as an independent branch that includes diversity of aspects of animal life including humans evolved much later. True to the evolutionary diversity of the subject, the Department of Zoology encompasses varied expertise in its faculty that ranges from basic to the cutting edge applied Zoology with the unitary aim of imparting high quality teaching and research in the frontier areas of basic and applied biological sciences so as to serve as the 'Breeding Ground' of inventions and innovations.

## V. SCHOOL OF PHYSICAL SCIENCES

### Dean: Prof. Ajai Kumar Gupta

The School of Physical Sciences comprises of three departments namely Physics, Chemistry and Mathematics. The School offers M.Sc., M.Phil. and Ph.D. programme of studies in all the three departments to highly motivated students. Faculty members of the School are actively engaged in several up-thrust research areas like magnetic memory devices, nano magnetism of thin film interfaces, Heusler alloys based structures, Laser Raman Spectroscopy, Density Functional Theoretical calculations, Chalcogenide glasses, Synthesis of carbon based Materials (Diamond, Graphene, Carbon Nanotubes, Graphene Oxide and reduced Graphene oxide), Medicinal Chemistry, synthesis of biologically active natural products, Metal Organic Frameworks (MOF), Crystal Engineering, Drug Design & Delivery, Wavelet Analysis, Distribution Theory, Integral Transforms, Topology, Fuzzy Topology, Category Theory, Fuzzy set theory, Fuzzy Optimization, Computational & Theoretical Fluid Dynamics and Differential Equations, etc. From the point of social, commercial and industrial applications, the faculty members are engaged in biosensing applications, spin based memory devices, fabricating different types of energy storage and conversion devices like rechargeable batteries, supercapacitors, solar cell, hydrogen storage devices etc. by utilizing several nano-materials/composites, clean, green and low cost bio-waste materials based activated charcoal for its application in energy storage and water treatment.

#### 1. Department of Physics:

Department of Physics is one of the leading departments of the School of Physical Sciences which is committed to create a centre of excellence in science & technology by providing quality education through effective teaching, learning and evaluation processes using digital mode of technology. Faculty members of the Department are actively engaged in several up-thrust research areas including multiferroic materials, magnetic memory devices, thin film nano magnetism, Metal/Semiconductor Interfaces, Heusler alloys based structures, tailoring of magnetic interfaces via swift heavy ions, Laser Raman Spectroscopy, Density Functional Theoretical calculations, Graphene Nanomaterials, Chalcogenide glasses, Phase change materials, energy storage and conversion devices like rechargeable batteries, supercapacitors, fabrication of Photonic Devices - Solar Cell, Light-Emitting Diodes (LEDs) and Photodetectors, hydrogen storage devices, Supercapacitors based graphene nanomaterials as electrode, etc. by utilizing several nano-materials/composites, clean, green and low cost bio-waste materials based activated charcoal for its

applications in energy storage and water treatment. Unending efforts are being made by the department to develop the well-equipped research and academic laboratories.

## 2. Department of Chemistry:

Chemistry is manifested everywhere starting from air to water to underground. It is necessary to understand the chemistry of nature that can help to mimic the natural chemical process to improve quality of human life and environment. Its knowledge enables a person to understand pros and cons of wide range materials frequently used in daily life. The enriched understanding of chemistry gives opportunity to join various sectors (chemical & pharmaceuticals, oil and gas, water testing, environmental and forensic laboratories etc.). The department has currently seven faculty members who have experience in academia/research/industry both India and abroad (USA, Germany, Switzerland, Belgium, South Korea, Japan, Taiwan, South Africa etc.). The faculty members of the department are actively engaged in research activities.

## 3. Department of Mathematics:

Mathematics has vast applications in different branches of science, social science and humanities. In many cases, especially in applied mathematics, mathematical constructions are chosen because they have desirable physical or social interpretations. The aim here is to look at the way systems of production and application of mathematics relate to social interests. Mathematical models are socially significant in two principal ways - as practical applications of mathematics and as legitimations of policies or practices.

**VI. SCHOOL OF SOCIAL SCIENCES****Dean: Prof Rajeev Kumar**

The School of Social Sciences comprises five departments namely (i) Department of Economics, (ii) Department of Social work, (iii) Department of Political Science (iv) Department of Sociology and (v) Department of Gandhian and Peace Studies.

**1. Department of Economics:**

Department of Economics came into existence in the first academic session of Mahatma Gandhi Central University, Bihar in 2016. Currently, the Department has one Associate and four Assistant Professors. The Department aims to provide an in-depth study of the theoretical propositions advocated by different schools of economics. The course is designed to go beyond the merely received and established truths and to make students exposed to various heterodox literatures to develop a critical understanding of various theories among them. In order to make the programme more pragmatic, the department aims at enabling the students to link economic theory with historical experience and empirical observation. With gradual expansion, Department of Economics also facilitate research in M.Phil. and Ph.D. programme in various domains of theoretical, empirical, developmental and interdisciplinary areas to be undertaken by students. The important areas of research are Macroeconomics, Financial Economics, Monetary Economics, Public Finance, International Economics, Experimental Economics, Environmental Economics, Industrial Economics, Agriculture Economics, Labour Economics and Development Economics. Moreover, faculty members have published research papers in reputed International and National journals.

2.	Mr Ram Lal Bagaria	M.A.	International Trade, Quantitative Economics & Econometrics, Environmental Economics
3.	Dr Shreedhar Satyakam	Ph.D.	Environmental Economics; Dairy Economics; Econometrics; Development Economics; Public Finance; Indian Economy

## **2. Department of Social Work:**

Social Work is a professional discipline of integrated social sciences. The trained social workers are instructed to help restore equilibrium in the Indian society challenged by traditional and modern social evils and social realities. In the year 2016, the Department of Social Work was established with the vision to become the seat of excellence in promoting higher learning and research in social work. It aims to enable the students to utilise the knowledge and skills of social work for social transformations. The Department presently offers Masters of Social Work (MSW), Master of Philosophy (M.Phil.) and Doctor of Philosophy (Ph.D.) Programmes in regular mode to prepare students to integrate advanced professional knowledge, values, and skills and to practice competently. The Department emphasises equipping social workers to work effectively with emerging systems, to assist diverse client systems on issues of social and economic justice to provide leadership in the development of service delivery systems. The Department of Social Work believes in doing research in social realities. The outcomes of such efforts are included in classroom & fieldwork instructions to provide theoretical as well as practical experiences that prepare students to understand and assess the contexts of professional practice and the behaviour of individuals, groups, communities and organizations.

The social work students are prepared to use personal & professional skills and institutional resources, theoretical frameworks, and research to meet the needs of various client systems. The Department has collaborated with various national, international and corporate agencies, NGOs, health institutions, public sector and autonomous organizations, various ministries of the state and central government, different consultancy organizations and reputed academic institutions.

### 3. Department of Political Science:

The Department of the Political Science at Mahatma Gandhi Central University, Bihar, India is a centre of excellence for teaching and research. The department's research areas cover current global issues, globalisation and economic uncertainty, inequality, immigration, global environment issues, tribal studies, unemployment, international relations and diplomacy etc. and thus, enhance the understanding of the global society.

The department encourages innovative, indigenous and empirical studies at faculty level and similarly engages the research scholars. Our goal is to conduct empirical researches with theoretical models, sharing and communicating Political Science studies with others at global level. Our intention is also to explore University surrounding areas and become facilitator in its development.

Today, the whole world has been heavily influenced by market economy and capitalism, which encourage people to think big and pursue dreams. The Department of Political Science of MGCUB highlights Indian values, universalism of Hindu culture values, ancient Indian political thoughts and the role of State established by Hindu Scriptures in establishing security, stability, justice and good governance so that human beings can reach the highest terms of excellence in the political, economic and social sectors.

### 4. Department of Sociology:

The Department has been functioning since its beginning of academic session in 2016 under the School of Social Sciences, Mahatma Gandhi Central University (MGCU) Bihar. This is one of the important departments of the University which cater the contemporary needs of the Indian society. It has well qualified faculty members educated from institutions of prominence and involved in teaching and research. It offers the courses by looking the relevance and importance.

### 5. Department of Gandhian and Peace Studies:

Mankind is struggling to escape itself from the evils of the industrial civilisation, greed based economic system and immoral political conditioning, but unfortunately, there is no way to get rid of. In such darkness the thoughts Mahatma Gandhi could be torchbearer. Only Gandhi Ji's philosophy can bridge the Cartesian division (duality of mind and body). His dedication to truth, non-violence, morality, equity, human dignity and freedom is well defined and it's well examined fact that his way to live, can free us from many paradoxes. Keeping this in mind Mahatma Gandhi Central University established the Department of Gandhian and Peace Studies in 2019.

Department offers Master of Arts (M.A.), Master of Philosophy (M.Phil.) and Doctor of Philosophy (Ph.D.) programmes in Gandhian and Peace Studies. Department is committed towards enhancing research to all aspects of Gandhian Thought and Peace. With the aim of establishing a Gandhian ideas-based research centre, the department will endeavour to promote interdisciplinary research. Department aims to develop Gandhian thoughts as methodological tool to understand, explain and analyse conflicts and violence world-wide. By the teaching and research, department targets to develop the principles and practices of Gandhian ideas and providing profound knowledge of the history, theory and practice. Apart from classroom teaching, dissertation/Seminar, Project writing and field study is the essential component of programmes. This evolving discipline is an innovation in order to explore the Gandhian philosophy in perspective of peace and conflict resolution and to offer a platform to the young generation for enlightened citizenship.

## VII. SCHOOL OF EDUCATION

### Dean: Prof. Asheesh Srivastava

Sā Vidyā Yā Vimuktaye (सा विद्या या विमुक्तये) having this Sanskrit shloka in context, School of Education came into existence in May, 2019. Presently School of Education is offering M.A. in Education, M.Phil. in Education and Ph.D. in Education from the academic year 2019-20 under Department of Educational Studies having academically rich and experienced faculty members. The School of Education attempts to bridge the gap between the curriculum & pedagogy, theory & practice and policy perspective between the school and higher education institutions and therefore it has a plan of expansion by opening different programmes on Teacher Education; Education Policy; Curriculum, Pedagogy & Assessment etc. In recent times, teacher education has been looked at as one of the most important areas of thrust, worldwide, with this awareness, and recognizing the challenges and need of teacher education in the country, the School of Education aims at imparting latest and best teacher education and accordingly, the curriculum of all the proposed courses are under formulation. We are aiming to make the School of Education as one of the destinations for teacher education in the country with fully equipped research facilities and pre-service and in-service teacher education programmes.

## 1. Department of Educational Studies:

The Department of Educational Studies under the School of Education came into existence in May 2019. The Department is offering M.A. in Education, M.Phil. in Education and Ph.D. in Education from the academic year 2010-21. The genesis of Department of Educational Studies is new in the University and it has proposed to incorporate all elements of Discipline of Education.

## PLACEMENT AND TRAINING SERVICES AT MGCU

### Placement Highlights:

- 50+ job offers with an average salary of Rs.2.50 Lacs per annum during 2016-17 & 2017-18 and still going on.
- Many of our students have more than 1 job offers in hand
- Good number of students has been placed in Government sectors with salary package of up to 9 Lacs PA.
- Some students have chosen to be a young entrepreneur.
- Students are assisted/facilitated to do internship in many of the top listed companies.

### Training Highlights:

Our key purpose is to make our students Industry-ready by providing them intensive training programme and enhancing their various skills for personal as well as professional development as mentioned below:

- Soft skill training before placement (Communication Skills, Resume Making, Interview assistance to apply for a job etc.)
- Aptitude training to prepare for placement
- Group Discussion-Personal Interview Skills (Mock Interview, Industry personnel Interactions, Constant guidance from experts)
- Students have access to counselling and contents that help them chart the right path to their career.
- We provide students the knowledge about industry working through Industrial Visit activity.
- Students have also access to assessments that help them identify their strengths/interests and realize their professional goals.

### Career Guidance:

- At MGCU we try to help our students to choose career which is best suited to their personality and also to ensure that the students pursue their dream career in the area of interest.
- We do counselling of the students to know about their interest area before the season of placement starts.
- We guide the students in taking post placement decisions to choose the company and we also train them to do initial work while joining.
- We do psychometric test of the students to know their EQ and help them strengthen it.
- We are in tune with the ever-changing job market and prepare students to meet demands through one-on-one counselling to search for JOB.

Our students explore and learn managerial skills and professional working culture under the tutelage of the organization of repute to acquire and build their professional career in leading organizations of India. The students of Department of Management Sciences and Department of Social Work have been placed and completed their Summer Internship Program in the reputed organizations. Some are mentioned below: -

## GENERAL GUIDELINES REGARDING PROCESS OF ADMISSION IN MAHATMA GANDHI CENTRAL UNIVERSITY

Students from all over India and the world, as per the policies of the Government of India, are welcome to seek admission in Mahatma Gandhi Central University. Reservation and relaxations in admission is provided to the students as per the policies of the Government of India. The general guidelines regarding the process of admission in various Programmes of the University are given below:

### ADMISSION CRITERIA

- Admission to the various Undergraduate, Postgraduate, M.Phil. and Ph.D. Programmes of Study offered by the University during the Academic Session 2020-21 shall be made on the basis of marks scored in common national level entrance examination to be conducted by the University or by a score of a test conducted by any recognised National Testing Agency (e.g. JEE Main) or by any other mechanism adopted by the University.

**However, in case of non-feasibility of holding Entrance Test due to ongoing COVID-19 pandemic, the University may adopt criterion (as mentioned at Page No. 13 & 14 of this Prospectus) for preparation of merit list for admission to various Undergraduate and Postgraduate Programmes of Study during the Academic Session 2020-21.**

- The candidates are advised to regularly visit the website ([www.mgcub.ac.in](http://www.mgcub.ac.in)) for updated information.
- Candidate must ensure that, they should have all the original documents of their respective qualifying examinations at the time of verification of Documents/Registration.
- Ensuring the eligibility for applying to a particular Programme will be the sole responsibility of the candidate.

### HOW TO APPLY

- Applications for admission to various Programme of Studies shall be invited through **ONLINE MODE** only. **OFFLINE applications will NOT be accepted.**

**For online application**, visit the home page of University Website [www.mgcub.ac.in](http://www.mgcub.ac.in), click on link [apply online](#) for necessary instructions.

- Applicants are required to have a valid personal email ID and mobile number which should be kept active during the entire admission process, so that the university may send alerts, important communications etc., regarding entrance test. Under no circumstances, the candidate share/mention his/her email ID with any other person as all communication will be made through e-mail and SMS. Please ensure that DND (Do Not Disturb) is not activated on your mobile.
- Candidates are advised to read eligibility criteria and other requirements before submitting the application form.
