

Notice

This is for the information of all the students who have submitted the fee towards provisional admission in M.A./ M.Sc. (Mathematics) for the academic session 2024-25. Their document verification and course registration will be scheduled on July 12, 2024, from 10 AM. The presence of students along with their original documents (the list is annexed) and a set of their photocopies is mandatory. To ease the stay and progression of students during their course, an orientation is scheduled on July 15 at 10 AM in the Department of Mathematics. These sessions will appraise the students with essential rules and regulations and help them make their academic journey successful. Class schedules will be circulated during orientation, and classes will commence thereafter.

Prof. Devdutt Chaturvedi
Head (I/C), Department of Mathematics
&Dean, School of Physical Sciences
