Subject: "Registration for the Def-Space Tech Winter Internship Technical Training Program, part of the broader initiative on Def-Space Education and Employment for all students and Research Scholars, has been updated"-Reg.

दरणीय म दया /म दय,

This is in continuation of our previous communication in October, 2025 regarding the initiatives by Bharat Space Education Research Centre (भारत अंतरिक्ष शिक्षा अनुसंधान केंद्र) to advance space science and technology. The Def-Space Winter Internship Programme is a training and project-focused initiative in space and defence technology, aligned with the vision of **Viksit Bharat Abhiyan 2047**.

"Announcement"

Bharat Space Education Research Centre: Def-Space Winter Internship Technical Training Program भारत अंतरिक्ष शिक्षा अनुसंधान केंद्र: रक्षा-अंतरिक्ष शीतकालीन इंटरनशिप तकनीकी प्रशिक्षण कार्यक्रम

Following the notice issued on December 8, 2023, regarding the online meeting on "Viksit Bharat @2047: Voice of Youth," referenced as F.1-1/2023(secy/ViksitBharat@2047), we are pleased to announce that the Prime Minister has launched "Viksit Bharat @2047" on December 11, 2023.

The Government of India, under the visionary leadership of Hon'ble PM Shri Narendra Modi, has initiated groundbreaking reforms in the space sector. These initiatives are designed to enhance and promote space education, research, and development across the nation. A key highlight is the celebration of National Space Day on August 23, which underscores India's commitment to fostering innovation and scientific excellence in space exploration. In alignment with the Viksit Bharat Abhiyan@2047, the Bharat Space Education Research Centre is conducting a Aircraft Design Workshop and an Advanced Drone (Air Taxi) workshop and **Def-Space Winter Internship Program**.

In continuation, The Bharat Space Education Research Centre has launched a Def-Space Winter Internship technical training program for all (Space Education & Employment).

About Def-Space Tech Winter Internship

Undergraduate and postgraduate students, Faculty and Research scholars in recognized Universities or Institutions in India and abroad can apply for the Bharat Space Education Research Centre Winter Internship. Participants will work closely with various verticals, divisions, and cells of Space/ Defence and receive training in 3 -Day Advanced Drone Technology (Air Taxi), 3- Day Aircraft Design Technology, 3-Day Rocketry, 3-Day Space Entrepreneurship and 7-Day Project based on the given technology.

Important: Applicants must apply online by completing the registration form. The Winter internship has a total of **1250 available seats**. Selection shall be conducted on a merit basis, determined by the candidate's marks in the Examination.

Note: The exam will consist of 12th-based mathematics and logical reasoning. There will be a total of 45 questions, each carrying two marks. A negative marking of 0.66 will be implemented for each incorrect answer. The total duration of the exam will be 90 minutes.

Registration for the Winter Internship and training program will open on October 10th at 5 pm. The online application link is open from 10th October - November 28th till 5:00 pm.

Lateral Entry

Registration for Lateral Entry: Does not involve an examination process. Bharat Space Education Research Centre is pleased to announce an opportunity for officials, faculty, research scholars, and students to engage in lateral entry into their preferred technology areas. This initiative does not involve an examination process. Participants will receive a training certificate upon completion rather than an internship certificate.

To,

All the Institutions,

We are pleased to announce an important update regarding the Def-Space Tech Winter Internship Technical Training Program. The primary aim of this Winter Internship is to enhance Space education and the Defence technological advancement. We kindly request all Institutions to disseminate this information widely among their Faculty/ Research Scholars and students. We are pleased to invite all students and research scholars to participate in the Winter Internship program. Bharat Space Education Research Centre has implemented various nationwide initiatives to promote space education at grassroots level.
